will be entitled to the next increase,
viz Rs 80, next year. He has just com-

have done good work in the School.

The Lady Superintendent would recom-
mend that his pay may be raised to
Rs 80 when his services are entirely

It is now proposed to transfer
Rammah from the school
to make Venkat Rammah a
full-time teacher, and to
add Dasappa B A to the
staff of the school. In
an institution teaching up
to the matriculation four
graduates would be considered
a full complement especially
where there are no divisions
of the native & the pre
native classes

✓

Last year all four girls
who went up for the
matric failed and the
addition of graduates
is not likely to cure this
state of things. Higher
education cannot flourish
in a soil exhausted
by premature
marriage & childbearing
& most of the girls of the
highest class bear the
impress on their face
of physical & mental
exhaustion. The school
already works as much
as the first-grade college
we suppose and it seems
to me it can be success-
fully worked only up
to the former secondary
standards. Mr Ramiah

so do so because his appointment on Rs 80,
will involve the supersession of many
graduates of whom some have passed
the L & T Examination also and who
are already in service working in the
Colleges and High Schools of the Province
If Government should be disposed
however to sanction the proposal of
the Committee I would suggest in
justice to their claims, that any pay
which may be given to Mr Chintamani
Raw, in excess of the minimum pay of
the grade (Rs 50 — $\frac{10}{2}$ — 100) may be treated
as a personal allowance and that his

Mr Chintamani Raw has only recently

he manages. He seems to have had

Sir

In reply to your docket No. $\frac{6691}{725}$
dated 24th April 1896, I have the honour
to inform you that

Mr. Balay Rao was appointed to the Maharan School on 1st April 1889 on a salary of Rs 30 per month. He had not been employed in the Palace but was drawing a scholarship from the Palace of Rs 15, which was continued until March 1893. So he was drawing Rs 30 + 15. He then acted for the Science Master who was absent on sick leave and received an allowance of Rs 15.

Mr. Narasim Iyengar thinking that the increased pay was permanent, stopped the Palace Scholarship, and afterwards when the Science Master returned

19

returned to duty and Mr. Balay Rao ceased to draw the acting allowance, the Palace Scholarship could not be restored

2 Mother Frances was first appointed on Rs 50 and has not received any promotion since I beg to forward herewith Miss Tokins' letter recommending an increase of pay to her

3 The scale of scholarships for the Vernacular Training Department was drawn up by the Committee at the Meetings held on the 19th and 20th

3 The scale of scholarships for the Vernacular Training Department was drawn up by the Committee at the Meetings held on the 19th and 20th June 1891 and sanctioned by Government. This scale was applied to the Matriculation classes for the first and second years, but as no rules existed applicable to the third year the Committee decided at the last Meeting that the scholarships in the Matriculation classes should be ~~Rs~~ 15 for the first year and ~~Rs~~ 20 for the second and third years. The list of scholarships sent up to Government for sanction is drawn up

20

in accordance with the above scale

4 The Committee have no present intention of filling up the post of Assistant Lady Superintendent. The appointment of an additional teacher is independent of that of the Assistant Lady Superintendent. His pay and the other additional expenditures may be met from the savings. Respecting the appointment of an additional teacher I beg to refer you to a separate letter No. $\frac{46}{2}$ dated 27th May 1896.

of Education in Mysore

Sir

With reference to your letter No $\frac{7600}{798}$
dated the 2nd of June 1896 I have the
honor to inform that Chintamani
Rao has been specially recom-
mended by the Lady Superin-
tendent and to request that
as the school has suffered
from want of competent assist-
ants early orders may
be passed

The Committee would be glad

if Chintamani Rao who has had
experience as a teacher could be
placed in the 5th Grade and given
Rs 80 as recommended by the Com-
mittee But if, in your opinion,
this is not practicable, Chintamani
Rao may be appointed Assistant
master on Rs. 80 the question whether
he should be taken into the graded
service or his appointment should
be treated as a special one
reserved for future consideration

The President understands that
Chintamani Rao does not make his
being graded a condition for his
entering the Mysore Service

I have again to request the
favor of early orders being obtained
on this reference

I have the honor to be

Sir,
Your most obedient servant

D. J. Ramani Rao
Honorary Secretary.

H J BHABHA, LEO,

 INSPECTOR GENERAL OF EDUCATION

 MYSORE

SIR,

The Secretary to the Govt. of Mysore
 in the Revenue & General Department,
 Bangalore

I have the honour to inform you that T Ramanya BA, LT was appointed an Assistant Master of the Maharani's High School in April 1895. As it was found that his knowledge of Kannada was not sufficiently good to enable him to teach with profit certain subjects in the Maharani's School, I permitted S Venkataramanya BA, LT of the Normal School, Mysore, to work half his time in the Maharani's School, his own work in the Normal School being taken by T Ramanya. These two masters have accordingly been working in both the Maharani's School and the Normal School. The Lady Superintendent now wishes to employ S Venkataramanya for the whole of his time in the Maharani's School as an additional Assistant

Master has been sanctioned from the 1st July 1896 for the Normal School by Order No ¹¹⁴/₈₂₉ dated 3rd July 1896, I have now directed S Venkataramaya to work for the whole of his time in the Maharani's School and similarly T Ramaya for the whole of his time in the Normal School. I have therefore to request that Government will be good enough to sanction the transfer of S Venkataramaya on his present pay of Rs 70 from the Normal School to the Maharani's School, as well as the transfer of T Ramaya on his present pay of Rs 80 from the Maharani's School to the Normal School with effect from the 1st July 1896

I have the honour to be,

Sir,

Your most obedient servant,

H P Shabha
Inspector General.
